NSS day celebrations and Orientation program report-2K17

Engineering is not merely knowing and being knowledgeable, engineering is not merely analysis, engineering is not merely the possession of the capacity to get elegant solutions to non-existent engineering problems, engineering is practicing the art of the organized forcing of technological change.

Holy Mary Institute of Technology and Science organized "NSS day celebrations and Orientation program -2K17" on 24/09/2017. Guest for this programme is Dr.P.Samulal, NSS Programme coordinator, JNTU Hyderabad.

Guest Dr.P.Samulal and NSS Coordinator
